Texas-Sized Jokes

The Blonde, the Texan and the Cute Goat

© Once upon a time, a blonde became so sick of hearing blonde jokes that she had her hair cut and dyed brown.

A few days later, as she was out driving around the Texas countryside, she stopped her car to let a herd of goats pass. Admiring the cute wooly creatures, she said to the farmer, "If I can guess how many goats you have, can I take one?" The Texan, always the gentleman, said, "Sure!"

The blonde thought for a moment and, for no discernible reason, said, "352." This being the correct number, the farmer was, understandably, totally amazed, and exclaimed, "You're right! O.K., I'll keep to my end of the deal. Take your pick of my herd."

The blonde carefully considered the entire flock and finally picked the one that was by far cuter and more playful than any of the others.

When she was done, the farmer turned to her and said, "O.K., now I have a proposition for you. If I can guess your true hair color, can I have my dog back?" ©

"Chuck Norris can cut through a hot knife with butter."

"When Chuck Norris pours milk on Rice Krispies, they keep quiet."

"If you are roundhouse kicked by Chuck Norris in a dream, you die in real life."
